FELLOW CATTLEMEN,

Welcome to our 2026 bull and female sale. We would like to thank all of our past customers for your trust in Gardels Lazy Four Angus.

It is an exciting time to be in the cattle business! With record calf prices at the sale barns, it is essential that you get everything out of that mama cow. Breeding her to a Gardels bull is a good first step to receiving that big pay day, by raising a calf that is born easy, grows well and is phenotypically sound.

Gardels Lazy Four Angus is a family operation that has been raising registered Angus cattle since 1960. Throughout those years we have made it a priority to raise cattle that will work across the entire beef sector. We raise our own replacement heifers, sell bulls, sell replacement heifers and sell the steers that do not make the bull sale. Having a balanced cow herd is crucial for us to raise our own replacements and sell bulls that will improve your cow herd. We utilize A.I. to introduce different genetics and traits into our herd. Our goal is to make daughters that will turn into great cows and raise bulls that have something to offer every customer. Raising docile cattle is also important to us. We want cattle that are easy to work with and do not want to sell problems to our customers. You will notice the docility of our bulls when you walk through them.

These bulls will be ready to work for you. They receive no creep feed and are not pushed to achieve high yearling weights. They have been vaccinated with Viral Shield 6 plus 5 and have passed a breeding soundness and semen check.

Come early and view the bulls on Saturday, March 21 at your leisure. Don't forget to join us for a beef lunch before the sale starting at 11:00 AM. If you are unable to make the sale in person, you can view it on www.cattleusa.com or call any of the sale representatives, or call Matt at 308-991-1819 and we will handle your bid as if it were our own.

Sincerely,

The Gardels Family

BULLS

Bulls are organized by sire groups in numerical order within each sire group.

Breeding Injury Guarantee: Our bulls are guaranteed through the first breeding season. Please contact us when possible if you have issues with your bull.

EPDs: Current as of February 20th as reported by the American Angus Association.

Fertility: All bulls will have passed a fertility test and have scrotal measurements done by Dr. Allen Stones at Northgate Veterinary Clinic, Kearney, NE.

Sight Unseen Purchases: If you are unable to make it to the sale, get in contact with Matt at 308-991-1819 or any of the other sale representatives.

(The sale will be available to view and online bidding at cattleusa.com)

Sale order will be released the day before the sale at gardelsangus.com and on site.

DELIVERY

We will board and deliver our bulls for free within the state of Nebraska.

Please give the clerk your preferred delivery date and contact information when you settle on your order.

Receive a \$100 credit per bull on your order if you decide to take home your bull after the sale. *(Credit only applies toward bulls)*
